Oath of Hippocrates

The Hippocratic Oath is an oath historically taken by doctors swearing to practice medicine ethically. It is widely believed to have been written by Hippocrates (460 BC – 370 BC), often regarded as the father of western medicine.

Modern version

A widely used modern version of the traditional oath was penned in 1964 by Dr. Louis Lasagna, former Principal of the Sackler School of Graduate Biomedical Sciences and Academic Dean of the School of Medicine at Tufts University.

“I swear to fulfill, to the best of my ability and judgment, this covenant:

I will respect the hard-won scientific gains of those physicians in whose steps I walk, and gladly share such knowledge as is mine with those who are to follow.

I will apply, for the benefit of the sick, all measures that are required, avoiding those twin traps of over treatment and therapeutic nihilism.

I will remember that there is art to medicine as well as science, and that warmth, sympathy, and understanding may outweigh the surgeon's knife or the chemist's drug.

I will not be ashamed to say "I know not," nor will I fail to call in my colleagues when the skills of another are needed for a patient's recovery.

I will respect the privacy of my patients, for their problems are not disclosed to me that the world may know. Most especially must I treat with care in matters of life and death. If it is given to me to save a life, all thanks. But it may also be within my power to take a life; this awesome responsibility must be faced with great humbleness and awareness of my own frailty. Above all, I must not play at God.

I will remember that I do not treat a fever chart, a cancerous growth, but a sick human being, whose illness may affect the person's family and economic stability. My responsibility includes these related problems, if I am to care adequately for the sick.

I will prevent disease whenever I can, for prevention is preferable to cure.

I will remember that I remain a member of society, with special obligations to all my fellow human beings, those sound of mind and body as well as the infirm.

If I do not violate this oath, may I enjoy life and art, respected while I live and remembered with affection thereafter. May I always act so as to preserve the finest traditions of my calling and may I long experience the joy of healing those who seek my help.”

About Punjab Institute of Medical Sciences

INTRODUCTION

Punjab Institute of Medical Sciences (PIMS), Jalandhar was envisaged by the Govt. Of Punjab (GoP) in 1999 as the first medical college cum teaching hospital of the Doaba region. PIMS was operationalized under Public Private Partnership (PPP) mode. Acting as a beacon of light, PIMS caters to the needs of patients from all over the region. It is a place where health meets care and knowledge meets experience. PIMS offers students an effective learning environment by adopting newer teaching methodologies and exposure to CMEs and Conferences. PIMS as a centre of excellence not only focuses on transforming students into professionals but also proactively works in the domain of community development through its outreach programmes.

VISION

To be recognized as a symbol of wellness and care, with an edifice built on efficient systems, neoteric technology and breakthrough medical research, shaping our students into doctors who are thought leaders of tomorrow.

MISSION

We Aspire To:

- ❖ Provide distinctive medical care and state of art facilities with the collaborative effort of our professionally competent staff delivering an assurance of being in safe hands
- ❖ Be a cost efficient medical care provider that serves one and all

VALUES

❖ INNOVATION

We are committed to continuous development by executing newer initiatives since 'Innovation unveils new horizons'

❖ COMMUNICATION

We believe in clear two way communication

making the patient an active partner in treatment because 'Together we make better choices'

❖ COMPASSION

We respect the inherent worth of people so we treat all with honor and dignity because 'We care'

❖ INTEGRITY

We abide by the highest level of professional ethics as 'Our morality defines our performance'

❖ DEDICATION

We all work with devotion, instilling faith and trust in people we serve as 'Dedication fosters care'

Resident Director's Note

Mr. Amit Singh
Resident Director

*“Coming together
is a beginning, Keeping
together is progress and
Working together
is Success”*

With great pride and pleasure I would like to welcome another batch of bright and eager students to PIMS, as they prepare to embark on their journey to becoming the health givers of tomorrow. As the years have passed, PIMS has not only deepened its roots as a quality medical provider but has also emerged as a leading medical institution of the state with a focus on holistic development of our students. We are committed to providing highest level of Medical Education at PIMS. We have had CMEs and Conferences across multiple specialties ensuring enriching knowledge exchange for faculty and students. We have continued to ramp up our medical programmes with comprehensive and integrated evidence based learning backed by cutting edge technology and experienced faculty. The testimony to this is the top university positions attained by our students every year.

A doctor is not merely responsible for curing disease, but also for promoting health and preventing sickness. It is this approach that we at PIMS seek to inculcate in our students, so that they carry a holistic view of medicine and become not just complete doctors but also good human beings.

Two MBBS batches have walked confidently out of PIMS making us all proud to see how well these young men and women have developed and grown over the past few years. I hope they will always look back fondly on the time they spent at PIMS, and be proud to have been the pioneers. I am certain that the batch of 2018 will be worthy successors and continue the tradition of making us all proud with their efforts, learning and achievements. Hope that your time with us will be a period that you cherish for life.

Director Principal's Note

Dr. Kulbir Kaur
Director Principal

*“Success doesn't
come from what you do
occasionally.
It come from what you
do consistently”*

Dear students

On behalf of PIMS Medical Education and Charitable Society I take pride to greet you all in PIMS who have harnessed the dream of becoming future custodians of health care and I assure you that here you will live your dream to the fullest. PIMS is in the process of fast growth and development and has already made its presence felt in the field of medical education with overall performance of our students. I invite you to come and grow in PIMS by joining the endeavor for excellence in holistic health care, education and research.

We take pride in our state of the art infrastructural facilities, teaching faculty, staff support systems and excellent stress free teaching and learning environment, for all round development of our students. In the present rapidly changing medical education scenario and health care delivery systems, along with the growth and development in information and communication technology, medical education has become more dynamic than ever before. In this dynamic environment our endeavour is to make our students competent, confident, self reliant and lifelong learners ready for change. Our focus will be on higher levels of learning, comprehension, analysis and application of knowledge and developing the right kind of attitude and humane approach in treating the sick and the needy.

Programs are in place to nurture every aspect of the personality of prospective graduates so that they can be recognized by mere presence at any forum. Our admission process is geared to pick up the best candidates that we can foster into individuals that can set standards of excellence in their future course of life.

We welcome you to this Institution of distinction and excellence.

Sports meet is a 7 days event where students get opportunity to participate in team and individual events like Volleyball, Basketball, Football, Cricket, handball, Kho kho, Badminton, Table tennis and Athletics. Giving students opportunity to learn the essence of a healthy competition, feeling of oneness, build camaraderie and revitalize their energies.

Winning Batch (Overall) - Batch 2014

PIMS students this year took a great initiative to organize a cultural fest – **Ecstasy'18** on the occasion of Baisakhi making it a flagship event of PIMS. The fest was a 2 days event organized on 12th and 13th April'18. The Chief Guest for Ecstasy'18 was **Sh. Brahm Mohindra, Hon'ble Cabinet Minister- Heath & Family Welfare, Research & Medical Education, Parliamentary Affairs, Govt. of Punjab**. Variety of events and contests were arranged for all students to participate like Fashion show in traditional outfits reflecting the true culture of Punjab, Bhangra, Gidhha, Choreography, Best Out of Waste, Dubsmash, Treasure Hunt, Rangoli, Mehendi, Nail art, Poster making and Salad making. To keep the fun quotient high, students organized Band night and Star night on each day for PIMS staff and students. During the fest, campus was filled with exuberant and joyful vibe thus helping the students to revitalize and be zealous to cope up with the rigorous academic curriculum.

PIMS embraces the responsibility to positively impact society through activities on Health Education and Awareness. One such initiative by PIMS to impact the society is 'Run To End AIDS' organized every year. This time a **5K** run was organized to mark World AIDS Day and to spread awareness about AIDS prevention in the city of Jalandhar, open for all to participate. The event was graced by **S. Pargat Singh, MLA and Sh. Praveen Kumar Sinha, IPS as Chief Guest and Guest of Honor**. Run was a grand success, with participation of 900+ runners from Jalandhar, Hoshiarpur and Amritsar. It's a great way to support the cause, helping to champion the rights of people living with HIV and raise HIV awareness.

INNOVATIVE TEACHING METHODOLOGIES

Poster and Model Making

Poster and Model making as an innovative teaching tool was introduced in departments of Forensic, Microbiology, Pharmacology & Ophthalmology. It's an ingenious way for the students to use their creative skills and an amalgamation of "learning & recreation". During the process, students came up with novel ideas & acquired knowledge, making it an effective way of learning. Students were divided into groups & given topics for models & posters, viva on the assigned topics was conducted & students were assessed.

Teaching Research Methodology

PIMS has taken an initiative to teach research methodology to undergraduate students by conducting regular in-house seminars.

COMMUNITY CONNECT

PIMS as a center of excellence not only focuses on transforming students into professionals but also works to serve the society through its Corporate Social Responsibility (CSR) programs. CSR programs of PIMS intend to promote preventive and remedial healthcare services to vulnerable sections of society. Our programs are designed on the basis of need assessment and focus on leveraging the institute's inherent healthcare experience and competencies to deliver a sustainable impact.

SWASTHYA JYOTI

BAL SURAKSHA

JAN KALYAN

Swasthya Jyoti aims at promoting health education by conducting various health awareness lectures, talks and interactive sessions with medical experts. Various activities done under this program are – All India Radio (AIR) talks and Doordarshan programs on Health education, 'Save Girl Child', 'Sutta chad de yaar'- combined initiative by PIMS and BIG FM. Around 80-90 awareness lectures are conducted yearly on topics like cancer awareness, Hepatitis B, Swine Flu, Stress Management, Lifestyle disease prevention, De-addiction, Down's Syndrome, Prevention of Dengue and Malaria etc.

Bal Suraksha targets to work with a holistic approach to improve the health status of children by conducting regular health check-ups and imparting basic health education to them. Under this program the activities that are carried are:- Health Check-up for Students, Awareness Talk, Visit to a Medical College. Till now 25,000 students have been covered from around 100-120 schools for hospital visit and health check-up and around 30-40 lectures yearly are organized by PIMS on topics like diet and hygiene, stress management, effects of radiation from mobile phones, dental hygiene and drug abuse etc.

Jan Kalyan focuses on serving with smile. It strives to enhance the quality of life of people in rural areas by running Urban Health Training Centre (UHTC), Rural Health Training Centre (RHTC), organizing De-Addiction campaigns, nukkad natak and Medical Camps in areas devoid of health facilities and medical services. Around 1,40,000 patients have been examined in around 1300 health checkup camp in past 4 years under this program. In the 15 villages- medically adopted by PIMS, twice in a month our team of doctors and staff visit and provide free health check-up and medicines.

- 5.2 Ragging in all its forms shall be totally banned in the entire Medical College/Institution / University including its departments, constituent units, all its premises (academic, residential, sports, canteen, etc) whether located within the campus or outside and in all means of transportation of students whether public or private.
- 5.3 The Medical College/Institution / University shall take strict action against those found guilty of ragging and/or of abetting ragging.

6. Measures for prevention of ragging at the institution level:-

- 6.1 Before admissions:-
 - 6.1.1 The advertisement for admissions shall clearly mention that ragging is totally banned / prohibited in the Medical College/Institution and anyone found guilty of ragging and/or abetting ragging is liable to be punished appropriately.
 - 6.1.2 The brochure of admission/instruction booklet for candidates shall print in block letters these Regulations in full (including Annexures).
 - 6.1.3 The 'Prospectus' and other admission related documents shall incorporate all directions of the Hon'ble Supreme Court and /or the Central or State Governments as applicable, so that the candidates and their parents/ guardians are sensitized in respect of the prohibition and consequences of ragging

6.1.4 A Brochure or booklet/leaflet shall be distributed to each student at the beginning of each academic session for obtaining undertaking not to indulge or abet ragging and shall contain the blueprint of prevention and methods of redress.

The application form for admission/ enrolment shall have a printed undertaking, preferably both in English/Hindi and in one of the regional languages known to the institution and the applicant (English version given in Annexure), to be filled up and signed by the candidate to the effect that he/she is aware of the law regarding prohibition of ragging as well as the punishments, and to the effect that he/she has not been expelled and/or debarred from admission by any institution and that he/she, if found guilty of the offence of ragging and/or abetting ragging, is liable to be punished appropriately.

6.1.3 The application form shall also contain a printed undertaking, preferably both in English/Hindi and in one of the regional languages known to the institution and the parent/ guardian (English version given in Annexure), to be signed by the parent/ guardian of the applicant to the effect that he/ she is also aware of the law in this regard and agrees to abide by the punishment meted out to his/ her ward in case the latter is found guilty of ragging and/or abetting ragging. A database shall be created out of affidavits affirmed by each student and his/her parents/guardians stored electronically, and shall contain the details of each student. The database shall also function as a record of ragging complaints received.

6.1.4 The application for admission shall be accompanied by a document in the form of the School Leaving Certificate/transfer certificate/migration certificate/ Character Certificate which shall include a report on the behavioral pattern of the applicant, so that the institution can thereafter keep intense watch upon a student who has a negative entry in this regard.

6.1.5 A student seeking admission to the hostel shall have to submit additional undertaking in the form of Annexure (both Parts) along with his/ her application for hostel accommodation.

6.1.6 At the commencement of the academic session the Head of the Institution shall convene and address a meeting of various functionaries/agencies, like Wardens, representatives of students, parents/ guardians, faculty, district administration including police, to discuss the measures to be taken to prevent ragging in the Institution and steps to be taken to identify the offenders and punish them suitably.

6.1.7 To make the community at large and the students in particular aware of the dehumanizing effect of ragging, and the approach of the institution towards those indulging in ragging, big posters (preferably multicolored with different colours for the provisions of law, punishments, etc.) shall be prominently displayed on all Notice Boards of all departments, hostels and other buildings as well as at vulnerable places. Some of such posters shall be of permanent nature in certain vulnerable places.

6.1.8 Apart from placing posters mentioned in sub-clause 6.1.9 above at strategic places, the Medical College/Institution shall undertake measures for extensive publicity against ragging by means of audio-visual aids, by holding counseling sessions, workshops, painting and design competitions among students and other methods as it deems fit.

6.1.11 The Medical College/Institution/University shall request the media to give adequate publicity to the law prohibiting ragging and the negative aspects of ragging and the institution's resolve to ban ragging and punish those found guilty without fear or favour.

6.1.12 The Medical College /Institution/ University shall identify, properly illuminate and man all vulnerable locations.

6.1.13 The Medical College/Institution/University shall tighten security in its premises, especially at the vulnerable places. If necessary, intense policing shall be resorted to at such points at odd hours during the early months of the academic session.

6.1.14 The Medical College/Institution/University shall utilize the vacation period before the start of the new academic year to launch wide publicity campaign against ragging through posters, leaflets, seminars, street plays, etc.

6.1.15 The faculties/ departments/ units of the Medical College/Institution /University shall have induction arrangements (including those which anticipate, identify and plan to meet any special needs of any specific section of students) in place well in advance of the beginning of the academic year with a clear sense of the main aims and objectives of the induction process.

The Principal or Head of the Institution/Department shall obtain an undertaking from every employee of the institution including teaching and non-teaching members of staff, contract labour employed in the premises either for running canteen or as watch and ward staff or for cleaning or maintenance of the buildings/lawns etc. that he/she would report promptly any case of ragging which comes to his/her notice. A provision shall be made in the service rules for issuing certificates of appreciation to such members of the staff who report ragging which will form part of their service record.

6.2. On admission:-

6.2.1 Every fresher admitted to the Medical College/Institution/University shall be given a printed leaflet detailing when and to whom he/she has to turn to for help and guidance for various purposes (including Wardens, Head of the institution, members of the anti-ragging committees, relevant district and police authorities), addresses and telephone numbers of such persons/authorities, etc., so that the fresher need not look up to the seniors for help in such matters and get indebted to them and start doing things, right or wrong, at their behest. Such a step will reduce the freshers' dependence on their seniors.

Every institution should engage or seek the assistance of professional counselors at the time of admissions to counsel 'freshers' in order to prepare them for the life ahead, particularly for adjusting to the life in hostels.

6.2.2 The Medical College/Institution/University through the leaflet mentioned above shall explain to the new entrants the arrangements for their induction and orientation which promote efficient and effective means of integrating them fully as students.

6.2.3 The leaflet mentioned above shall also inform the freshers about their rights as bonafide students of the institution and clearly instructing them that they should desist from doing anything against their will even if ordered by the seniors, and that they have nothing to fear as the institution cares for them and shall not tolerate any atrocities against them.

6.2.4 The leaflet mentioned above shall contain a calendar of events and activities laid down by the institution to facilitate and complement familiarization of freshers with the academic environment of the institution.

Medical College/Institution/University shall also organize joint sensitization programmes of 'freshers' and seniors.

On the arrival of senior students after the first week or after the second week as the case may be, further orientation programmes must be scheduled as follows (i) joint sensitization programme and counseling of both 'freshers' and senior by a Professional counselor; (ii) joint orientation programme of 'freshers' and seniors to be addressed by the principal/Head of the institution, and the anti-ragging committee; (iii) organization on a large scale of cultural, sports and other activities to provide a platform for the 'freshers' and seniors to interact in the presence of faculty members; (iv) in the hostel, the warden should address all students; may request two junior colleagues from the college faculty to assist the warden by becoming resident tutors for a temporary duration.

6.2.6 Freshers shall be encouraged to report incidents of ragging, either as victims, or even as witnesses.

6.3. At the end of the academic year:-

6.3.1 At the end of every academic year the Dean/Principal/Director shall send a letter to the parents/guardians of the students who are completing the first year informing them about the law regarding ragging and the punishments, and appealing to them to impress upon their wards to desist from indulging in ragging when they come back at the beginning of the next academic session.

6.3.2 At the end of every academic year the Medical College/Institution /University shall form a 'Mentoring Cell' consisting of Mentors for the succeeding academic year. There shall be as many levels or tiers of Mentors as the number of batches in the institution, at the rate of 1 Mentor for 6 freshers and 1 Mentor of a higher level for 6 Mentors of the lower level.

Each batch of freshers should be divided into small groups and each such group shall be assigned to a member of the staff. Such staff member should interact individually with each member of the group on a daily basis for ascertaining the problems/difficulties if any faced by the fresher in the institution and extending necessary help.

In the case of freshers admitted to a hostel it shall be the responsibility of the teacher in charge of the group to coordinate with the warden of the hostel and to make surprise visits to the rooms in the hostel where the members of the group are lodged.

6.4. Setting up of Committees and their functions:-

6.4.1 The Anti-Ragging Committee:- Every institution shall have an Anti-Ragging Committee and an Anti-Ragging Squad. The Anti-Ragging Committee shall be headed by the Head of the institution and shall consist of representatives of civil and police administration, local media, Non Government Organizations involved in youth activities, faculty members, parents, students belonging to the freshers' category as well as seniors and non-teaching staff. It shall monitor the Anti Ragging activities in the institution, consider the recommendations of the Anti-Ragging Squad and take appropriate decisions, including spelling out suitable punishments to those found guilty.

6.4.2 The Anti-Ragging Squad:- The Anti-Ragging Squad shall be nominated by the Head of the institution with such representation as considered necessary and shall exclusively consist of members belonging to the various sections of the campus community. The Squad shall have vigil, oversight and patrolling functions. It shall be kept mobile, alert and active at all times and shall be empowered to inspect places of potential ragging and make surprise raids on hostels and other hot spots. The Squad shall investigate incidents of ragging and make recommendations to the Anti-Ragging Committee and shall work under the overall guidance of the Anti-Ragging Committee.

All matters of discipline within teaching institutions must be resolved within the campus except those impinging on law and order or breach of peace or public tranquility, all of which should be dealt with under the penal laws of the land

University Monitoring Cell At the level of the University, we recommend that there should be a Monitoring Cell on Ragging, which should coordinate with the affiliated colleges and institutions under its domain. The Cell should call for reports from the Heads of institutions in regard to the activities of the Anti-Ragging Committee, Anti - Ragging Squads, Monitoring Cells at the level of the institution, the compliance with instructions on conducting orientation programmes, counseling sessions, the incidents of ragging, the problems faced by wardens or other officials. It should also keep itself abreast of the decisions of the District level Anti - Ragging Committee. This Monitoring Cell should also review the efforts made by institutions to publicize anti-ragging measures, soliciting of undertaking from parents and students each year to abstain from ragging activities or willingness to be penalized for violations; and should function as the prime mover for initiating action on the part of the appropriate authorities of the university for amending the Statutes or Ordinances or Bye-laws to facilitate the implementation of anti-ragging measures at the level of the institution.

6.5. Other measures:-

6.5.1 The Annexures mentioned in 6.1.4, 6.1.5 and 6.1.7 of these Regulations shall be furnished at the beginning of each academic year by every student, that is, by freshers as well as seniors.

6.5.2 The Medical College/Institution /University shall arrange for regular and periodic psychological counseling and orientation for students (for freshers separately, as well as jointly with seniors) by professional counselors during the first three months of the new academic year. This shall be done at the institution and department/ course levels. Parents and teachers shall also be involved in such sessions.

6.5.3 Full-time warden shall be appointed as per the eligibility criteria laid down for the post reflecting both the command and control aspects of maintaining discipline, as well as the softer skills of counseling and communicating with the youth outside the class-room situations. Wardens shall be accessible at all hours and shall be provided with mobile phones and the details of their telephone number must be widely publicized. Similarly, the telephone numbers of the other important functionaries - Heads of institutions, faculty members, members of the anti-ragging committees, district and sub-divisional authorities and state authorities where relevant, should also be widely disseminated for the needy to get in touch or seek help in emergencies. The institution shall review and suitably enhance the powers and perquisites of Wardens and authorities involved in curbing the menace of ragging.

Further the institutions shall provide necessary incentives for the post of full-time warden, so as to attract suitable candidates.

6.5.4 Freshers shall be lodged in a separate hostel block, wherever possible, and where such facilities are not available, the college/institution shall ensure that seniors' access to freshers' accommodation is strictly monitored by wardens, security guards and college staff.

As ragging takes place mostly in the hostels after the classes are over in the college, a round the clock vigil against ragging in the hostel premises shall be provided. It is seen, that college canteens and hostel messes are also places where ragging often takes place. The employers/employees of the canteens/mess shall be given necessary instructions to keep strict vigil and to report the incidents of ragging to the college authorities if any.

The security personnel posted in hostels shall be under the direct control of the Wardens and assessed by them.

6.5.5 Private commercially managed lodges and hostels shall be registered with the local police authorities, and this shall be done necessarily on the recommendation of the Head of the institution. Local police, local administration and the institutional authorities shall ensure vigil on incidents that may come within the definition of ragging and shall be responsible for action in the event of ragging in such premises, just as they would be for incidents within the campus. Managements of such private hostels shall be responsible for action in the event of ragging in such premises, just as they would be for incidents within campuses.

6.5.6 Besides registering private hostels as stated above, the towns or cities where educational institutions are located should be apportioned as sectors among faculty members, as is being done by some institutions, so that they could maintain vigil and report any incidents of ragging outside campuses and en route while 'freshers' commute.

6.5.7 The Head of the institution shall take immediate action on receipt of the recommendations of the Ant-Ragging Squad. He/She shall also take action *suomotu* if the circumstances so warrant.

6.5.8 Freshers who do not report the incidents of ragging either as victims or as witnesses shall also be punished suitably.

6.5.9 Anonymous random surveys shall be conducted across the 1st year batch of students (freshers) every fortnight during the first three months of the academic year to verify and cross-check whether the campus is indeed free of ragging or not. The institution may design its own methodology of conducting such surveys.

6.5.10 The burden of proof shall lie on the perpetrator of ragging and not on the victim.

6.5.11 The institution shall file an FIR with the police / local authorities whenever a case of ragging is reported, but continue with its own enquiry and other measures without waiting for action on the part of the police/ local authorities. Remedial action shall be initiated and completed within the one week of the incident itself.

6.5.12 The Migration/Transfer Certificate issued to the student by the Medical College/Institution /University shall have an entry, apart from those relating to general conduct and behaviour, whether the student has been punished for the offence of committing or abetting ragging, or not, as also whether the student has displayed persistent violent or aggressive behaviour or any inclination to harm others.

Preventing or acting against ragging shall be the collective responsibility of all levels and sections of 6.5.13 authorities or functionaries in the Medical College/Institution /University, including faculty, and not merely that of the specific body/ committee constituted for prevention of ragging.

6.5.14 As such the college canteens and hostel messes are also places where ragging often takes place, hence the employers/employees of the canteens/mess shall be given necessary instructions to keep strict vigil and to report the incidents of ragging to the college authorities, if any.

Further access to mobile phones and public phones shall be unrestricted in hostels and campuses, except in class-rooms, seminar halls, library etc. where jammers shall be installed to restrict the use of mobile phones.

6.6 Measures for encouraging healthy interaction between freshers and seniors:-

6.6.1 The Medical College/Institution /University shall set up appropriate committees including the course-in-charge, student advisor, Warden and some senior students to actively monitor, promote and regulate healthy interaction between the freshers and senior students.

6.6.2 Freshers' welcome parties shall be organized in each department by the senior students and the faculty together soon after admissions, preferably within the first two weeks of the beginning of the academic session, for proper introduction to one another and where the talents of the freshers are brought out properly in the presence of the faculty, thus helping them to shed their inferiority complex, if any, and remove their inhibitions.

6.6.3 The Medical College/Institution /University shall enhance the student-faculty interaction by involving the students in all matters of the institution, except those relating to the actual processes of evaluation and of faculty appointments, so that the students shall feel that they are responsible partners in managing the affairs of the institution and consequently the credit due to the institution for good work/ performance is due to them as well.

7. Regulatory Measures

The inspecting/visiting committees of MCI shall cross verify that the medical college/institution has strictly complied with the anti ragging measures and has a blemishless record in terms of there being no incident of ragging during the impending period (i.e. from earlier inspection) or otherwise.

8. Awardable Punishments.

8.1 At the Medical College/Institution level:

Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:

8.1.1 Suspension from attending classes and academic privileges.

8.1.2 Withholding/withdrawing scholarship/ fellowship and other benefits

8.1.3 Debarring from appearing in any test/ examination or other evaluation process.

8.1.4. Withholding results

8.1.5 Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.

8.1.6 Suspension/ expulsion from the hostel

8.1.7 Cancellation of admission.

8.1.8 Rustication from the institution for period ranging from 1 to 4 semesters

8.1.5 Expulsion from the institution and consequent debarring from admission to any other institution for a specific period.

8.1.6 Fine of Rs. 25,000/- and Rs. 1 lakh.

8.1.5 Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment.

8.2 Penal consequences for the heads of the institutions/administration of the institution who do not take timely steps in the prevention of ragging and punishing those who rag.

The authorities of the institution particularly the Head of the institution, shall be responsible to ensure that no incident of ragging takes place in the institution. In case any incident of ragging takes place, the Head shall take prompt and appropriate action against the person (s) whose dereliction of duty lead to the incident. The authority designated to appoint the Head shall, in its turn, take prompt and appropriate action against the Head.

In addition to penal consequences, departmental enquiries be initiated against such heads institutions / members of the administration / faculty members / non-teaching staff, who display an apathetic or insensitive attitude towards complaints of ragging.

8.3 At the MCI level

8.3.1 Impose an exemplary fine of Rs. 1 lakh for each incident of ragging payable by erring medical college/institution to such authority as may be designated by the appropriate Govt., as the case may be.

8.3.2 Declare the erring Medical College /Institution/ University as not having the minimum academic standards and warning the potential candidates for admission at such institution through public notice and posing on the MCI website.

8.3.3 Declare the erring Medical College /Institution/ University to be ineligible for preferring any application u/s 10A of the Indian Medical Council Act, 1956 for a minimum period of one year, extendable by such quantum by the Council as would be commensurate with the wrong.
